## DESCRIPTION

Pair of low impedance loudspeakers from the AMBIENT series. Specially designed for public address and ambient sound applications; a solution for installations in public premises such as restaurants, cafeterias, supermarkets, shopping centres, etc. Excellent finish, high power and resistant, in a reduced size. The loudspeakers include a wall mount with swivel arm and steel safety cable, allowing for easy installation and orientation of the loudspeakers. They are a great solution for installations in public places such as restaurants, cafés, supermarkets, shopping centres, etc.
