## MCH-205

DESKTOP CONDENSER MICROPHONE WITH MUSICAL WARNING TONES AND PRE-AMPLIFIER

- ✓ High intelligibility sound, clear voice pick-up and low feedback
- ✓ Robust, high-quality design
- ✓ Musical alert tones
- ✓ Illuminated ring and switch
- ✓ Easy installation for immediate use

ESPECIALLY RECOMMENDED IN:

All sectors

**DESCRIPTION**

Desktop microphone with musical paging tones and preamplifier Optimised for voice transmissions, it offers a highly intelligible sound and ensures a clear voice pick-up with low feedback due to its high sensitivity and unidirectional pattern. It has balanced line level output, allowing long cable distances without noise induction. Its robust, high quality design provides reliability and long life in general applications. Musical paging tones with independent volume control, microphone volume control and illuminated ring and push button. It incorporates cable and windbreaker foam for easy installation and immediate use. For shops, industrial buildings, educational centres, etc.
