MALIBU-215P

15" PORTABLE SPEAKER.

- ✓ Great power and sound quality.
- ✓ 2 UHF wireless microphones: 1 hand-held and 1 headset
- ✓ With multiple playback options
- ✓ Robust construction, easy transport with trolley
- ✓ Long-life rechargeable battery.

ESPECIALLY RECOMMENDED IN:

Hospitality

Sports facilities

Education

DESCRIPTION

Portable speaker with 2 wireless microphone. High power and sound quality provided by its high-efficiency Class D amplifier. They integrate all the necessary elements for a live performance or talk: 2 wireless microphones (1 hand-held and 1 head-worn), 2 microphone inputs, 1 auxiliary, USB/SD player, mixer, graphic equaliser, speaker and amplifier. Its trolley together with a rechargeable Li-ion battery of great capacity and autonomy, make it very versatile and adaptable to a multitude of uses. It is very transport resistant thanks to its robust injection construction. Audio inputs with industry audio standard connectors: XLR, jack and RCA. Includes remote for remote control. Its simple and intuitive use minimizes setup time depending on the use. For outdoor activities, group classes, small parties, events and travelling shows.
